

# PUBLIC MEETING #1 – UPPER SAVANNAH RIVER BASIN PLANNING

## Agenda

Tri-County Technical College, Anderson Campus  
511 Michelin Blvd., Rm 123  
Anderson, SC 29625

April 10<sup>th</sup>, 2023, 6:00 pm – 8:00 pm

1. **Welcome and Opening Remarks** – Dr. Jeff Allen, Clemson University
2. **Why We Are Here** – Ken Rentiers, SCDNR, Deputy Director of the Land, Water & Conservation Division

*Why is water planning important to all South Carolina citizens?*

*Where are we in the planning process, how did we get here, and where are we going?*

3. **Upper Savannah River Basin Planning** – Scott Harder, SCDNR, Hydrologist

*What is a River Basin Plan and how will the Upper Savannah River Basin Plan be developed?*

4. **Next Steps for Upper Savannah River Basin Planning** – Scott Harder, SCDNR

*What is the schedule for planning activities in the Upper Savannah basin?*

*How can stakeholders apply to be on the Upper Savannah River Basin Council?*

*What are other ways stakeholders can be involved?*

5. **Comments from the Planning Process Advisory Committee and Q&A Session** – moderated by Dr. Jeff Allen, Clemson University.

*PPAC members will share their perspectives on water planning and along with SCDNR address any comments or questions about the Planning Framework and river basin planning activities.*

*Let us hear from you. We welcome your questions and feedback.*
