

SCDNR-Funded USGS Streamflow Gages

Legend

- New SCDNR-Funded USGS Gage
- FEMA HMGP-Supported USGS Gage
- Existing SCDNR-Funded USGS Gage
- Active USGS Streamflow Gage

Basin

- Broad
- Catawba
- Edisto
- PeeDee
- Salkehatchie
- Saluda
- Santee
- Savannah

Map prepared by the Land, Water and Conservation Division of the South Carolina Department of Natural Resources (September 2019).

| New SCDNR-Funded USGS Gages | | | | | |
|-----------------------------|--------------------------------------|--|--------|-----------|----------------|
| Map ID | Stream | Purpose | Status | Type | Planning Basin |
| 1 | Ashley River | FEMA site, flood forecasting | new | Stage | Santee |
| 2 | North Fork Edisto River | FEMA site, flood forecasting, water planning | new | Discharge | Edisto |
| 3 | Pacolet River | FEMA site, flood forecasting, water planning | Regage | Discharge | Broad |
| 4 | North Tyger River | FEMA site, flood forecasting/frequency, water planning | Regage | Discharge | Broad |
| 5 | Sample Branch | FEMA site, flood forecasting | new | Stage | Saluda |
| 6 | Twelvemile Creek | FEMA site, flood forecasting, water planning | new | Discharge | Saluda |
| 7 | Wilson Creek | FEMA site, flood forecasting/frequency, water planning | new | Discharge | Saluda |
| 8 | Little River | FEMA site, flood forecasting/frequency, water planning | new | Discharge | Saluda |
| 9 | French Quarter Creek | FEMA site, flood forecasting | new | Stage | Santee |
| 10 | Stevens Creek | FEMA site, flood forecasting | new | Stage | Savannah |
| 11 | Tyger River | FEMA site, flood forecasting/frequency, water planning | Regage | Discharge | Broad |
| 12 | Fairforest Creek | FEMA site, flood forecasting/frequency, water planning | Regage | Discharge | Broad |
| 13 | Shaw Creek | Flood forecasting/frequency, water planning | new | Discharge | Edisto |
| 14 | Little Salkehatchie River | Flood forecasting/frequency, water planning | new | Discharge | Salkehatchie |
| 15 | South Tyger River | Flood forecasting/frequency, water planning | Regage | Discharge | Broad |
| 16 | North Fork Edisto River | Flood forecasting/frequency, water planning | new | Discharge | Edisto |
| 17 | South Fork Edisto River | Flood forecasting/frequency, water planning | new | Discharge | Edisto |
| 18 | Chauga River | Flood forecasting/frequency, ecological | new | Discharge | Savannah |
| 19 | Estatoee Creek | Flood forecasting/frequency, ecological | new | Discharge | Savannah |
| 20 | Edisto River (mainstem) | Flood forecasting/frequency, water planning | Regage | Discharge | Edisto |
| 21 | Thompson Creek | Flood forecasting/frequency | new | Discharge | Pee Dee |
| 22 | Little Pee Dee River | Flood forecasting/frequency, water planning | Regage | Discharge | Pee Dee |
| 23 | Salkehatchie River | Flood forecasting/frequency, water planning | new | Discharge | Salkehatchie |
| 24 | Tributary in South Fork Edisto basin | Flood forecasting/frequency, water planning | new | Discharge | Edisto |
| 25 | North Saluda River | Flood forecasting, water planning | Regage | Discharge | Saluda |
| 26 | Fishing Creek | Flood forecasting/frequency, water planning | Regage | Discharge | Catawba |

| Existing SCDNR-Funded USGS Gages | | | |
|----------------------------------|---------------------------------|-----------------|----------------------------|
| Map ID | Stream | USGS Site No. | Type |
| 27 | Allison Creek | 21457492 | Discharge |
| 28 | Cedar Creek | 2173212 | Discharge |
| 29 | Sugar Creek | 2146800 | Discharge |
| 30 | Tools Fork Creek | 21473426 | Discharge |
| 31 | Rocky Creek | 2147500 | Discharge |
| 32 | Thickety Creek | 2153700 | Discharge |
| 33 | Gills Creek | 2169570 | Discharge |
| 34 | South Fork Ediso (Denmark) | 2173000 | Discharge |
| 35 | Salkehatchie River | 2175500 | Discharge |
| 36 | Little River | 2192500 | Discharge |
| 37 | South Saluda River | 2162290 | Discharge |
| 38 | Middle Saluda River | 2162350 | Discharge |
| 39 | South Fork Edisto (Springfield) | 2172558 | Discharge |
| 40 | Lawson's Fork Creek | 2156300 | Discharge |
| 41 | Skrine Creek | 330428079214800 | Tidal Stage, Water Quality |
| 42 | South Santee River | 2171905 | Tidal Stage, Water Quality |
