

DATE: October 14, 2022
TO: To Whom It May Concern
FROM: John P. Glass
Manager, Air Modeling Section
Bureau of Air Quality
SUBJECT: Air Dispersion Modeling Consultants

The Bureau of Air Quality has been asked to provide a list of consultants who can perform air dispersion modeling. The following is a list of consultants who have asked to be included on this list. **This is not an endorsement for any of the consultants listed and none of these consultants have been tested for skills in air dispersion modeling.** There may be other consultants who have this capability in your area.
