RE: Monitoring Well Permit
SCDHEC Monitoring Well Approval MW-12613
Greenville County, South Carolina

Dear Mr. Powell:

The Division of Site Assessment, Remediation and Revitalization has reviewed the request to install up to 20 monitoring wells at the Bramlett Road Site as described in the well permit request received on November 4, 2020.

Based on this review, approval for installation is granted under R.61-71 of the South Carolina Well Standards and Regulations. Once data is received, a report should be sent to the Department summarizing the recent work. Should you have any questions regarding the above, you may contact me at (803) 898-0910.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Cassidy", is written over a light blue horizontal line.

Greg Cassidy, Project Manager
State Remediation Section
Division of Site Assessment, Remediation and Revitalization
Bureau of Land and Waste Management

Monitoring Well Approval

Approval is hereby granted to: Rick Powell
Facility: Bramlett Road Site
Greenville County

This approval is for the installation of up to 20 monitoring wells as stated in the work plan. The wells are to be installed in the area described by Synterra and per the proposed construction details provided in the request. The monitoring wells are to be installed following all of the applicable requirements of R.61-71.

Please note that R.61-71 requires the following:

1. All wells shall be drilled, constructed, and abandoned by a South Carolina certified well driller per R.61-71.D.1.
2. All wells shall be properly developed per R.61-71.H.2.d. A Water Well Record Form or other form provided or approved by the Department shall be completed and submitted within 30 days after well completion or abandonment unless the Department has approved another schedule. The form should contain the "as-built" construction details and all other information required by R.61-71.H.1.f
3. All analytical data and water levels obtained from each monitoring well shall be submitted to the Department within 30 days of receipt of laboratory results unless another schedule has been approved by the Department as required by R.61-71.H.1.d.
4. All monitoring wells shall be labeled as required by R.61-71.H.2.c.
5. All soil borings points that penetrate any confining unit must be grouted in accordance with R. 61-71.
6. If any of the information provided to the Department changes, the Author (Greg Cassidy) shall be notified a minimum of twenty-four hours prior to well construction as required by R.61-71.H.1.a.

This approval is pursuant to the provisions of Section 44-55-40 of the 1976 South Carolina Code of Laws and R.61-71 of the South Carolina Well Standards and Regulations, dated May 27, 2016.

Date of Issuance: 11/17/2020

Approval #: MW-12613
