RE: Quarterly Progress Report (4th Quarter, 2021)
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Effinger:

The Department received the Quarterly Progress Report (4th Quarter, 2021) from Dominion Energy on March 2, 2022. The report provides an update of significant activities/milestones on the progress of Dominion Energy's permitting efforts of the stakeholder-developed Modified Removal Action. The Department approves of the Quarterly Report as submitted.

Following the 1st Quarter 2022 Progress Report, the Department would like Dominion Energy to move to Monthly Progress Reports while activity at the site is increased.

If you have any questions, feel free to contact me at (803) 898-0910 or cassidga@dhec.sc.gov.

Sincerely,
