Getting Started

SC ePermitting is a one-stop portal for submitting permit applications and service requests to South Carolina Department of Health and Environmental Control.

Once you or your organization has been issued a permit or license you can submit required reports or request changes to your permit here.

Finding and Submitting Applications and Requests

Begin by browsing the available forms. Once the desired form is located, you can fill it out, submit it, and track it here.

Managing Information for an Existing Facility, Project, or Site

If you are affiliated with an existing facility, project, or site that has had DHEC involvement, your SCDHEC account can be granted access to the site in one of the following ways:

- Contact the facility directly and ask the designated SC ePermitting account administrator to invite you to join the site.
- [Enter a Verification Code](#) provided by mail or e-mail from DHEC
- If the site does not currently have an active account manager, contact SCDHEC support to learn how to set up a site account.

If your facility, project or site has not yet had DHEC involvement, your site will be created after you [fill out and submit an application or service request](#) form.

Getting Help

Use the Help link icon in the top right corner of any page to view screen-specific help. If you still need assistance click the Contact link in the page header for additional support options.

A drop down will appear with all of the sites that list you as an authorized user. Select the appropriate site by clicking on the name.
